 Edited and recorded by John Wallace and John Miller.
 Not many players are lucky enough to have a pianist at their disposal. With the Play Solo series a first-rate pianist is no further away than the nearest cassette player! On side A of the pre-recorded cassette there are versions of all the pieces in this collection, as models for your own performances. Side B contains the piano accompaniments only, to play along with. Where there is no piano introduction, a count-in click of two bars (including any upbeats) is used. Printed piano accompaniments to all these pieces – and many more – can be found in First Book of Trumpet Solos and Second Book of Trumpet Solos, all from Faber Music.

BRASS QUINTETS (Continued)

DANIELPOUR

- ____50481391 **Urban Dances for Brass Quintet**
(Associated)
Urban Dances was written in 1989 for the Saturday Brass Quintet on commission from Chamber Music America. The set of four dances – Riddle Dance, Burlesque, Shadow Dance, and Peripetia – form a 15-minute snapshot of New York, the city of the composer's birth. The enormous variety of life found in the tight confines of the city are reflected in the quintet's wide ranging dynamics, colors and moods. The work's vigorous rhythms and many vignettes bring to mind a ballet score, and in fact the work has served as a ballet as well as a concert work.\$35.00

Drum Ceremony for Percussion Ensemble

set of performance scores

The Drum Ceremony is the introductory movement of "An American Te Deum" for mixed chorus, baritone solo, and orchestra or wind ensemble. The work was commissioned to commemorate the 125th anniversary of the founding of Coe College, Cedar Rapids, Iowa, on December 5, 1976. The Drum Ceremony derives from Native American drumming, particularly that used in war ceremonies.
