THE CLASSICAL GUITAR – FIFTH EDITION

by Maurice J. Summerfield
foreword by David Russell

We proudly present the fifth edition of Maurice J. Summerfield's highly acclaimed ultimate reference book on the classical guitar. This brand new book features all the original biographical entries updated with new photographs where applicable, plus 100 new biographical entries in the players, composers and makers section – for a total of over 485. This new edition gives the reader a full and clear picture of the classical guitar's development since the beginning of the nineteenth century. Also included are informative sections on composers, scholars, flamenco guitarists and guitar makers. The book's collection of several hundred photographs is the most complete to be published in one volume. There are extensive listings of the most important classical guitar recordings. The final section, Sources of Supply, guides readers to where they can obtain the books, recordings, music and magazines listed in the book.

THE PUBLICATIONS OF CHRISTOPHER PARKENING

Christopher Parkening is considered by many to be the world's pre-eminent classical guitar virtuoso. He is the recognized heir to the legacy of the legendary maestro Andres Segovia, who deemed him "A great guitarist ... one of the most brilliant guitarists in the world."

In his decades of performing and recording, Mr. Parkening has garnered superlative worldwide acclaim. He has performed at the White House, has been nominated for two Grammy Awards, has appeared with Placido Domingo in "Live from Lincoln Center," and has been named "Best Classical Guitarist" for many years running in the Guitar Player Readers' Poll.

THE CHRISTOPHER PARKENING GUITAR METHOD, VOL. 1 – REVISED

*The Art and Technique of the Classical Guitar
in collaboration with Jack Marshall and
David Brandon*

This premier method for the beginning classical guitarist, by one of the world's pre-eminent virtuosos and the recognized heir to the legacy of Andrés Segovia, is now completely revised and updated! Guitarists will learn basic classical technique by playing over 50 beautiful classical pieces, 26 exercises and 14 duets, and through numerous photos and illustrations. The method covers: rudiments of classical technique, note reading and music theory, selection and care of guitars, strategies for effective practicing, and much more!
